

Victory Over Injustice

Proverbs, Various

- The enemy of justice is partiality

We can remain impartial by...

- Using equal weights and measures

- Making righteous judgements

FURTHER UP, FURTHER IN

1. Brett said that the enemy of justice is partiality. Do you agree? Why or why not? (Proverbs 18:5, Proverbs 28:21, James 2:1-4)

2. How does Biblical justice differ from the world's definition of justice?

3. Read Proverbs 11:1. What are some ways that we use unequal weights and measures in our lives?

4. Read Proverbs 24:23-25. What are the effects of (un)righteous judgments? In a nation? In our own lives?

5. Thinking back to Randy's sermon on anger and revenge, how should we respond when injustices are done to us?
